

Have you had a business dispute that felt impossible to sort out?

You're not alone — and you don't need a lawyer to get started.

Most business disputes go unresolved because people don't know where to begin. NyayOS gives you a structured starting point — before you speak to anyone else.

HOW NYAYOS WORKS

- 1 Tell us what happened**
In your own words. No legal terms. No forms.
- 2 Add your documents**
Contracts, invoices, messages, photos — anything you have.
- 3 Review what we found**
Key facts, dates, and gaps — you confirm what's correct.
- 4 Understand your options**
Negotiation, mediation, tribunal, or court — explained plainly.
- 5 Share when ready**
Give a lawyer or advisor secure, time-limited access.

OUR PROMISE TO YOU

- ✓ Your information stays private unless you share it
- ✓ Nothing is filed or sent without your permission
- ✓ You can delete your data at any time
- ✓ We do not predict outcomes or give legal advice
