

Something went wrong.
Now you need
to be **ready**.

NyayOS organises your business dispute — timeline, evidence, facts — so you can speak to a lawyer or mediator from a position of clarity, not chaos.

HOW IT WORKS

Tell your story

Write what happened in your own words.
No legal terms or forms required.

Add your documents

Contracts, invoices, messages, photos.
NyayOS categorises them automatically.

Confirm the facts

Review what was found. Every fact
requires your approval — AI labels everything.

See your options

Negotiation, mediation, tribunal, or court —
explained in plain language.

Share when you're ready

Give your lawyer or advisor secure,
time-limited access. You control it.

NYAYOS DOES NOT

- ✗ Give legal advice

✗ Predict outcomes

✗ File anything on your behalf

✗ Share without permission

✗ Replace a lawyer

Get early access today.

Currently available by invitation for commercial disputes.
